PACE Purchasing Cooperative - Pricing

WELCOME PACE CUSTOMERS!

CASO delivers a wide range of paperless solutions at the lowest cost and best value for state and local government agencies as part of the PACE Purchasing Cooperative.

We offer preferred pricing on all enterprise content management, content software, hardware, professional services, and document conversion services (including products from ApplicationXtender, Captiva, ABBYY, Digitech Systems, Kodak, Konica, Minolta, CONTEX, and more). See our PACE preferred pricing on the following pages and contact Jeff Powell at (210) 222-9124 to learn how you can go paperless today.

ABOUT CASO

CASO offers comprehensive document imaging services, document management systems and micrographic services. CASO was founded in 1994 and has offices in San Antonio, Texas, and New York City to serve regional and national clients. Our Certified Document Imaging Architects help clients design and implement systems for the secure capture, storage, recovery and retrieval of critical documents and content. Our national imaging team converts paper, maps, drawings, microfilm, and microfiche into images, storing them in electronic documents ... at your location or in cloud-based systems.
